

Congratulations

Daksh Kasi

You are recognized as
Young Catalyst
For Sustainable Development

for planning and implementing a social impact
project contributing to the achievement of
Sustainable Development Goals

This recognition is being bestowed to Daksh Kasi for his work on the project titled '*Vaccination Awareness & Medical Kit Distribution*' executed during March-Aug 2021 through which he conducted study to understand Covid-19 vaccination hesitancy, created awareness to tackle lack of information, setup a fundraiser to provide hygiene and medical kits to slum dwellers and organized a donation drive in collaboration with local corporator. Daksh has been highly sincere, committed and structured in his approach throughout the project.
